ESSENTIAL HOME
MID CENTURY FURNITURE

The 50's retro style refashioned by DELIGHTFULL's modern design twist.

WHY SHOULD YOU LOVE DELIGHTFULL?

In short, we are what we do. Vintage music & mid-century modern design lovers with a peculiar affection to 50's recreations with our modern senses. It's all about restoring the post-war era with our eyes and hands set in the future.

We can gaze at the Etta Wall Sconce, or the Amy Floor Lamp, or the Billy Table Lamp, and instinctively respond, with a smile, "Yeah, I get that." This is how 50's would like in the future! – That's Delightfull.

Art deco iconography inspired the line of contemporary lighting tailored for the floor, table, ceiling and wall.

WE STRIVE FOR THE FOLLOWING VALUES:

DESIGN - Each unique Stilnovo lamp is a hymn to vintage lighting classics with a retro vibe smoothly reinterpreted by iconic contemporary designs.

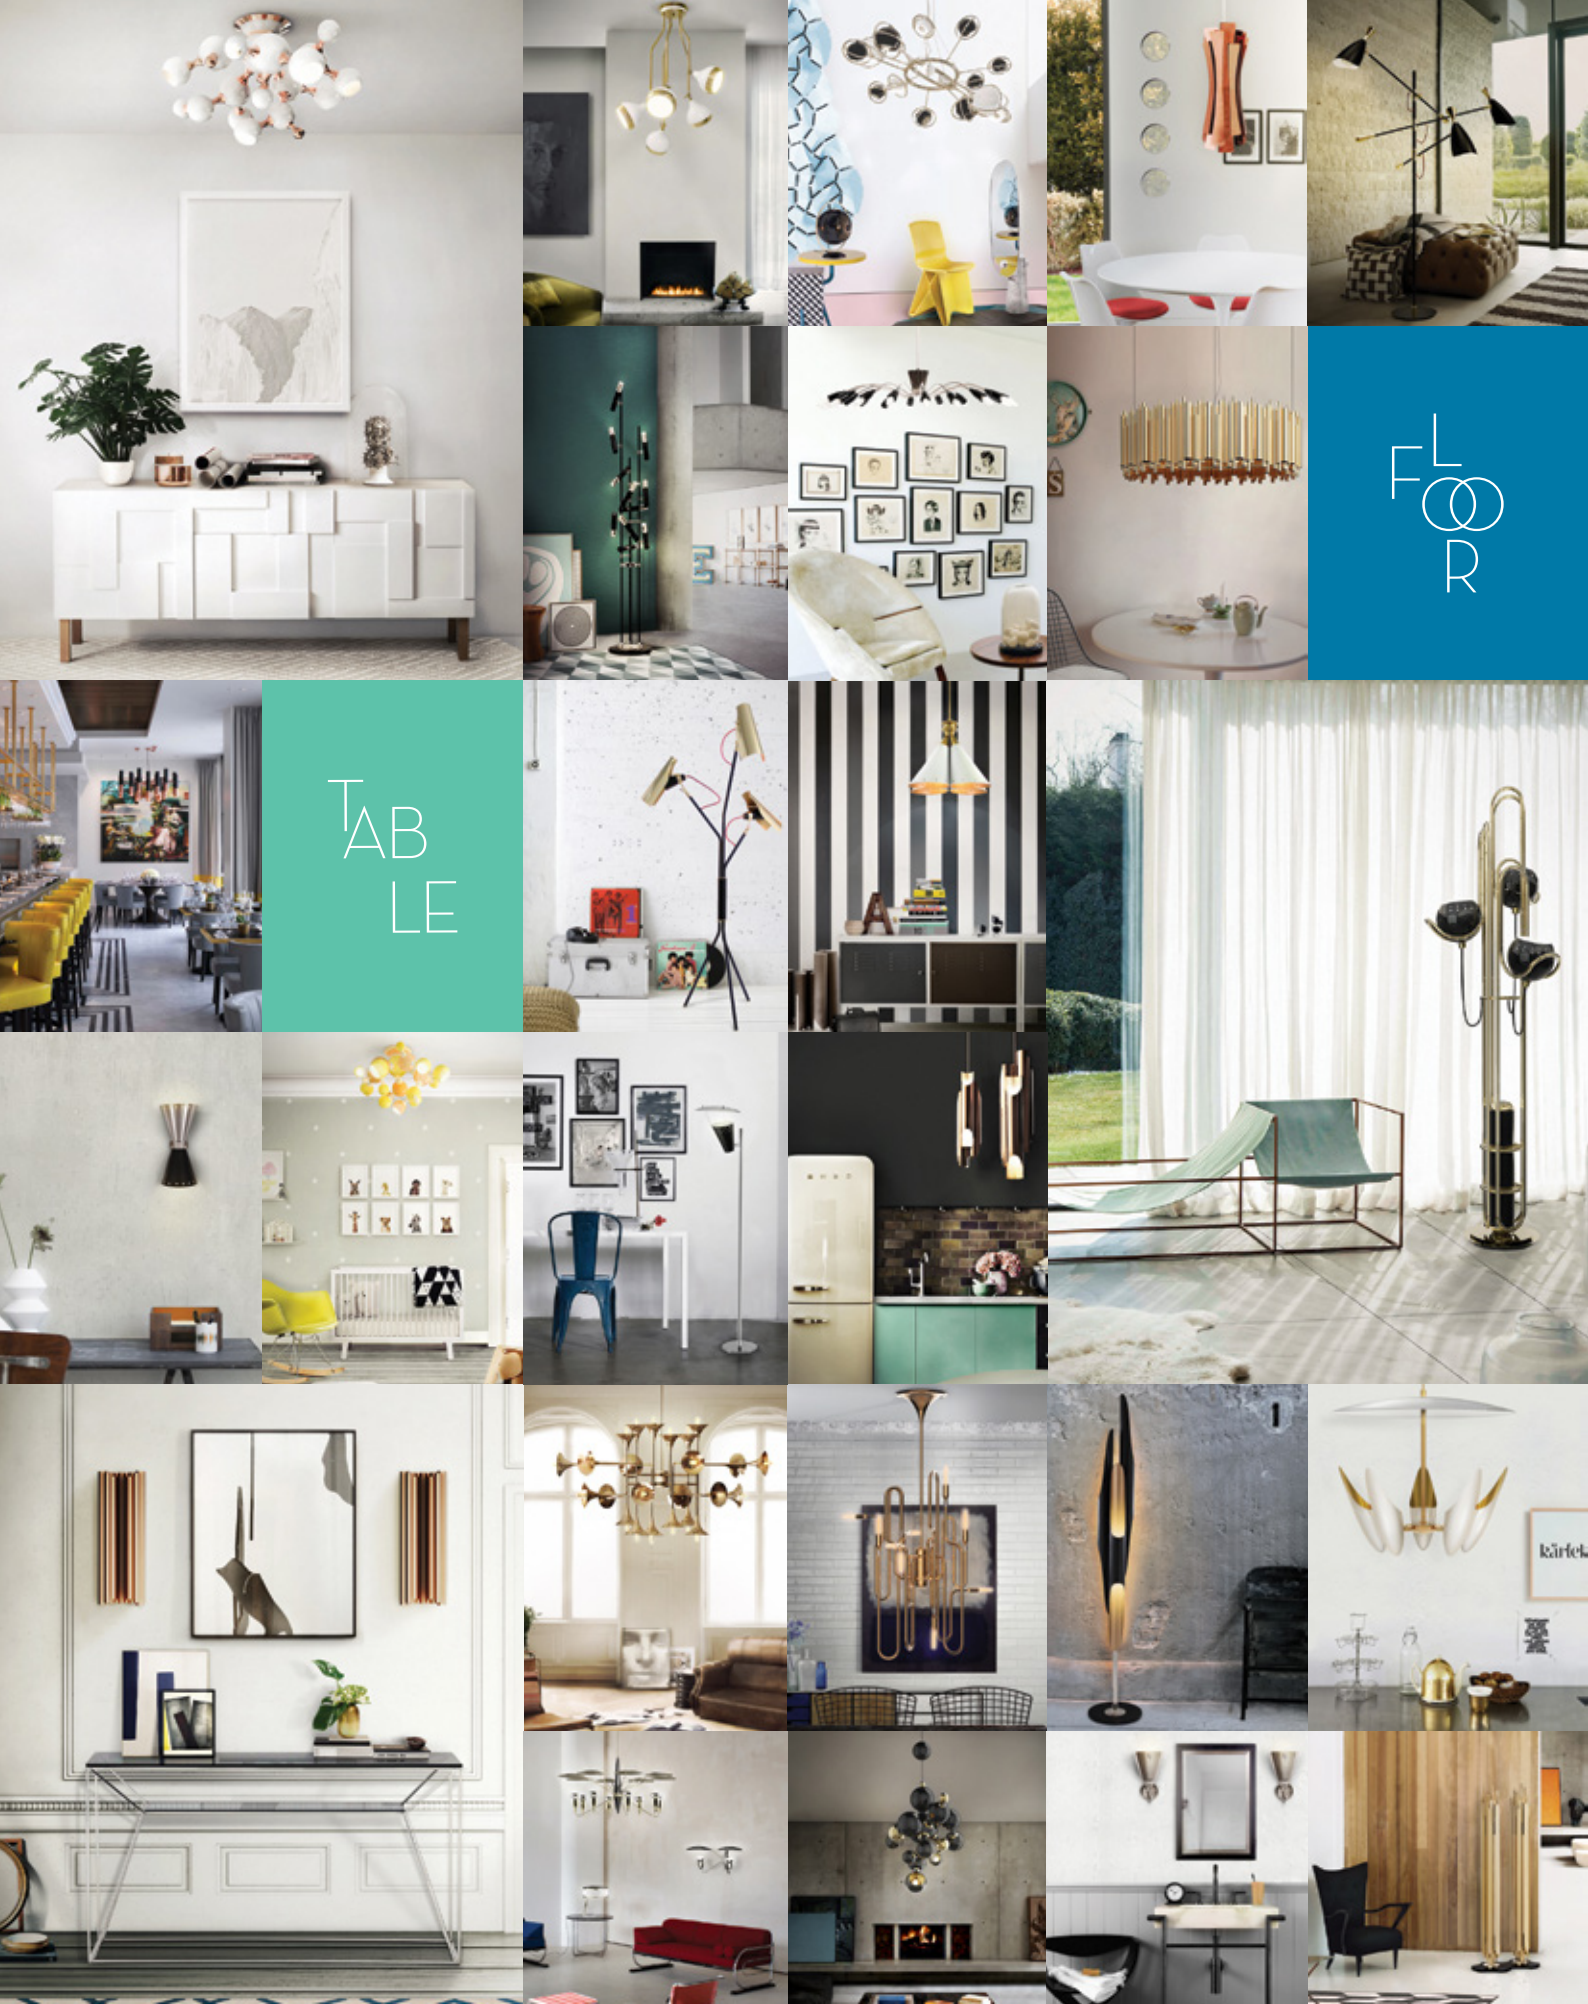

CRAFTMANSHIP - DELIGHTFULL is recovering the best handmade techniques, employing materials and color schematics that are aesthetically appropriate to the '40's, '50's and '60's.

MUSIC - Post-war design and music sharply inform styling choices, from the referencing of mid-century modernist iconography to the playful cool jazz-inspired names (Brubeck, Miles, Coltrane) of the fixtures.

UNIQUENESS - Delightfull takes a passion for the vintage hip trend and has creatively crafted a unique and contemporary lighting line for nowadays.

“STRONGLY SCULPTURED FORMS, REDUCED SHAPES, CLEAR LINES AND PLENTY OF COLOR SPLASHED BY A RETRO CODE – THIS IS WHAT CHARACTERIZES OUR COLLECTIONS. THE STYLING IS LUXURIOUS BUT ALWAYS EFFORTLESS. HERITAGE COLLECTION

DELIGHTFULL collection Heritage is keeping it real, employing materials and color schematics that are aesthetically appropriate to the '40's, '50's and '60's. There is extensive use of brass, aluminum and copper alongside ample amounts of black, white and gold, as well as regular and welcome pops of retro color.

SUSPENSION | Are Delightfull's pendant lamps simple lighting pieces or real masterpieces? According to its suspension, it seems mostly like the second option. Refined with a special glow.

FLOOR | Don't hesitate to jump for your vintage couch near a lighting corner where your new catchy floor reading lamp is ready to light up your most recent book.

TABLE | Is your hotel suite needing a sophisticated table lamp? Or do you need the right reading lamp next to your bedside table? To feel simultaneously comfortable and chic has never been so easy.

WALL | The functionality of these retractable sconces will surprise you: whether in the living room or in the dining room, their urban vibe will provide some magic to any setting.

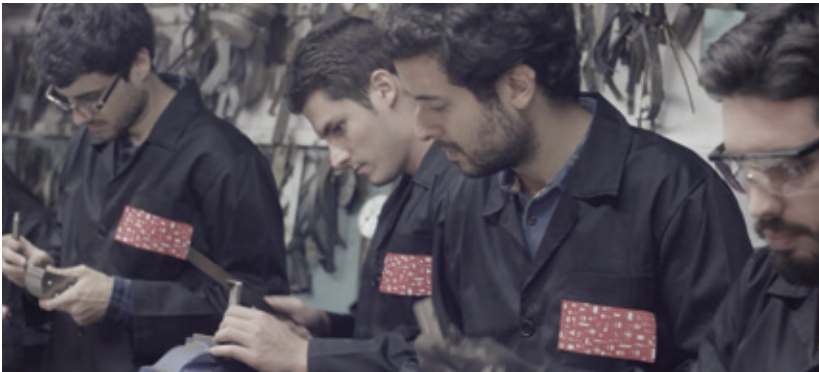

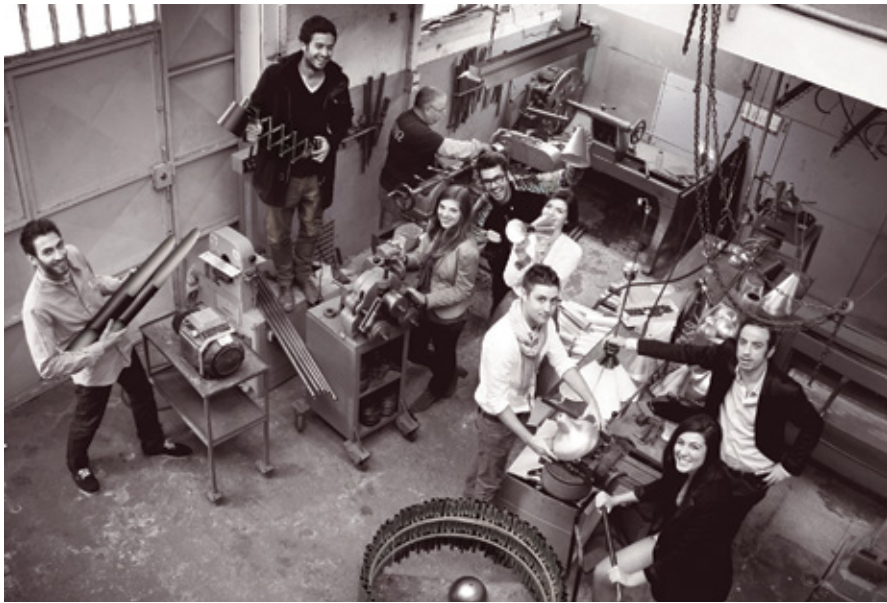

GRAPHIC COLLECTION

A big splash of color and joy mixed up with wide selection of iconic fonts and quality materials chosen specifically by Delightfull's studio: that's the Graphic Collection's essence. Usable as floor, table, wall or outdoor fixtures, these letters, numbers and symbols lit up by colorful neon lights are the spotlight and character of any space. Vintage pieces of art for kids and adults that come in all types, Bold, Italic, Serif and Sans-Serif. We have 2 sizes for any Graphic Lamp, 1 meter tall ones which are perfect for large store fronts and walls, and the 50 cm mini versions, ideal for tables and shelves. The fun side of Delightfull is all here.

ESSENTIAL HOME

We would like to explore other themes inside the vintage universe besides music, Las Vegas signs, space exploration, sci-fi design and retro futurism influences.

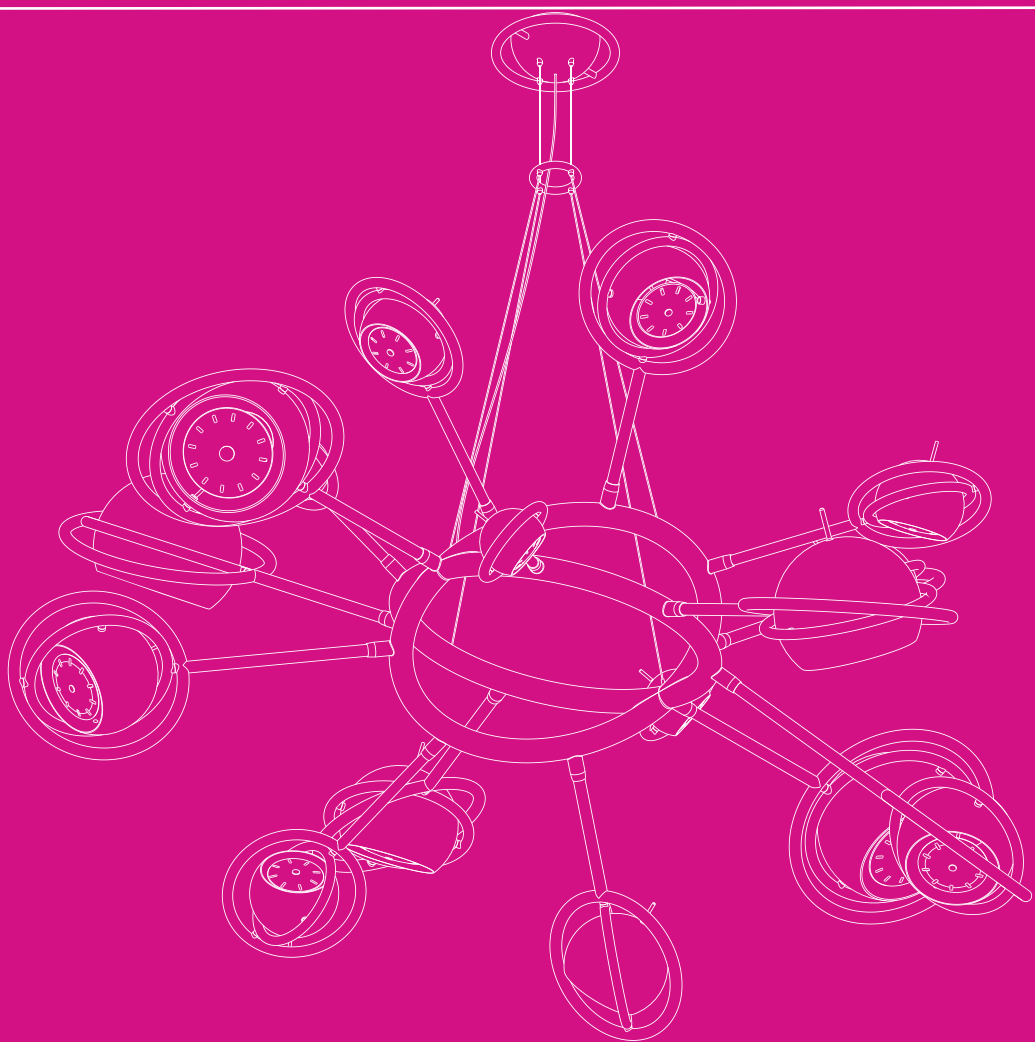

We are all set to go undercover to the world of the double 00's agents and James Bond with the Essential Home which essence is exactly that: to bring your friends over, pour a glass of whiskey, play some board games while listening to a vinyl of the "Diamonds are forever" in your record player.

“THE TRENDY VINTAGE
SOPHISTICATION IS FILLED
WITH MORE BRIGHT,
MORE DESIGN AND MORE COLOR.”
